NextEdge

School and coaching management, in *one app*

Admissions, attendance, fees, exams, live classes, transport and parent updates in one place, with an assistant that answers from your own data.

Free 30-day trial | For schools | For coaching centres | Android and any phone browser

What you get

Online admission
Public form with documents and OTP, parents track their application, one-tap admit.

Fees
Fee plans, numbered receipts, defaulters list, late fines and Razorpay payment links.

Attendance
One-tap roll call, same-day parent alerts, gate scan and biometric machines.

Exams and report cards
Marks, ranks and analysis, and report cards for a whole class in one PDF.

Timetable and substitutes
Bell periods, clash checks, and free teachers when someone is on leave.

Live bus
Parents see where the bus is. The driver's phone is enough, no hardware needed.

Live classes and online tests
Jitsi, Zoom, Meet or Teams, MCQ tests with negative marking, study material by batch.

ID cards and certificates
ID cards with QR, TC, bonafide, character, study and fee certificates as PDFs.

Reach every parent

- App, WhatsApp, SMS and email, with a delivery log
- OTP login by email, SMS or WhatsApp
- Uses your own MSG91, Meta WhatsApp and Razorpay accounts

Your data stays yours

- Owners choose what each staff member can open
- Login history you can review
- Download a full copy any time

Start in four steps

1. **Book a demo**
   On your kind of institution.
2. **Bring your data**
   Excel, PDF or a photo of a register.
3. **Set up**
   Classes, fee plans and permissions.
4. **Go live**
   Invite parents and staff.

See it on your own school or centre

Book a free demo. We call you back, usually the same working day.
